Power cut checklist (UK)

Awaken checklist. Tick each box.

Before

- [ ] Torches and spare batteries in a known place
- [ ] Charge power banks
- [ ] Keep some cash
- [ ] Know your supplier number: 105 reports and gets information on a power cut in the UK

During

- [ ] Switch off and unplug sensitive appliances
- [ ] Keep fridge and freezer doors shut
- [ ] Never use a barbecue, camping stove or generator indoors: carbon monoxide kills
- [ ] Check on neighbours who may need help

Safety

- [ ] Use torches, not candles, where you can
- [ ] Fit a carbon monoxide alarm if you have any gas or solid fuel appliance
- [ ] If you smell gas: open windows, do not touch switches, leave, call the National Gas Emergency number 0800 111 999

Original checklist written for Awaken. Released into the public domain (CC0 1.0): copy and share freely. A guide only: it does not replace training or the emergency services. Emergency: 999 or 112.
